I will have graduated after January 1, 2011 from a licensed Mississippi massage therapy school - \$100 per applicant

I will have graduated after January 1, 2011 from a licensed Mississippi massage therapy school; however I will not be practicing in Mississippi. I am claiming an exemption from this requirement. I understand that should I return to Mississippi to practice, I will be required to sit for and pass the MSLE prior to applying for licensure.

I am applying for Mississippi licensure through Rule 405 Reciprocity. I have provided the following:

- ✓ an official out-of-state school transcript; and
- ✓ demonstrated proof of a least 3 years work experience as a massage therapist;
and
- ✓ proof of passing scores from a state, nationally or internationally accredited Examination approved by the Mississippi State Board of Massage Therapy

(a) To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of the applicant's fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Investigation Identification Division for this purpose.

(b) Any and all state or national criminal history records information obtained by the board that is not already a matter of public record shall be deemed nonpublic and confidential information restricted to the exclusive use of the board, its members, officers, investigators, agents and attorneys in evaluating the applicant's eligibility or disqualification for licensure, and shall be exempt from the Mississippi Public Records Act of 1983. Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.
