- Protrainings offer 3 different types of certification; however, the only course approved for Mississippi licensed massage therapist renewals is the ProFirstAid Advanced Blended or Classroom course.
- Look at the search bar on the acceptance page and you will see how ProTrainings has identified MSBMT's acceptance; and
- This will also provide your direction on how to access the acceptable course for Mississippi licensees.
- For customer service, please call 888-406-7487.
