Rule 3.5 Declaratory Opinions

These rules set forth the Mississippi State Board of Massage Therapy hereinafter "Board", rules governing the form and content of requests for declaratory opinions, and the Board's procedures regarding the requests as required by Mississippi Code 305. These rules are intended to supplement and to be read in conjunction with the provisions of the Mississippi Administrative Procedure Law, which contain additional information regarding the issuance of declaratory opinions. In the event of any conflict between these rules and the Mississippi Administrative Procedure Law, the latter shall govern:

- A. Any person with a substantial interest in the matter may request a declaratory opinion from the Board by following the specified procedures. "Substantial interest in the subject matter" means: an individual, business, group, or other entity that is directly affected by the Board's administration of the law within its primary jurisdiction. "Primary jurisdiction of the Board" means the Board has a constitutional or statutory grant of authority in the subject matter at issue.
- B. The Board will issue a declaratory opinion regarding the applicability to specified facts of:
 - 1. a statute administered or enforceable by the Board, or
 - 2. a rule promulgated by the Board.

The Board will not issue a declaratory opinion regarding a statute or rule which is outside the primary jurisdiction of the agency.

- C. The Board may, for good cause, refuse to issue a declaratory opinion. The circumstances in which declaratory opinions will not be issued include, but are not necessarily limited to:

- 1. lack of clarity;
- 2. there is pending or anticipated litigation, administrative action, or other adjudication which may either answer the question presented by the request or otherwise make and answer unnecessary;

3. the statute or rule on which a declaratory opinion is sought is clear and not in need of interpretation to answer the question presented by the request;
4. the facts presented in the request are not sufficient to answer the question presented;
5. the request fails to contain information by these rules or the requestor failed to follow the procedure set forth in these rules;
6. the request seeks to resolve issues which have become moot, or are abstract or hypothetical such that the requestor is not substantially affected by the statutes or rule on which a declaratory opinion is sought;
7. no controversy exists concerning the issue as the requestor is not faced with existing facts or those certain to arise which raise a question concerning the application of the statute or rule;
8. the question presented by the request concerns the legal validity of a statute or rule;
9. the request is not based upon facts calculated to aid in the planning of future conduct but is, instead, based on past conduct in an effort to establish the effect of that conduct;
10. clear answer is determinable;
11. the question presented by the request involves the application of a criminal statute or a set of facts which may constitute a crime;
12. the answer to the question presented would require the disclosure of information which is privileged or otherwise protected by law from disclosure;
13. the question is currently the subject of an Attorney General's opinion request which has been answered by an Attorney General's opinion;
14. a similar request is pending before this Board or any agency or a proceeding is pending on the same subject matter before any agency, administrative or judicial tribunal, or where such an opinion would constitute the unauthorized practice of law;
15. where issuance of a declaratory opinion may adversely affect the interest of the State, the Board or any of their officers or employees in any litigation which is pending or may reasonably be expected to arise;
16. the question involves eligibility for a license, permit, certificate, or other approval by the Board or some other agency, and there is a statutory or regulatory application process by which eligibility for said license, permit, certificate, or other approval would be determined.

D. Each request must be printed or typewritten, or legibly handwritten. Each request must be submitted on standard business letter-sized paper (8-1/2 inches by 11 inches). Request may be in the form of a letter addressed to the Board.

All requests shall be signed by the person filing the request, who shall attest that the request complies with the requirements set forth in these rules, including but not limited to a full, complete, and accurate statement of relevant facts and that there are no related proceedings pending before any other administrative or judicial tribunal.

G. Each request shall contain the following:

1. a clear and concise statement of all facts on which the opinion is requested;
2. a citation to the statute or rule at issue;
3. the question(s) sought to be answered in the opinion, stated clearly;
4. a suggested proposed opinion from the requestor, stating the answers desired by petitioner and a summary of the reasons in support of those answers;
5. the identity of all other known persons involved in or impacted by the described factual situation, including their relationship to the facts, name, mailing address, and telephone number; and
6. a statement to show that the person seeking the opinion has a substantial interest in the subject matter.

H. Within forty-five (45) days after the receipt of a request for a declaratory opinion which complies with the requirements of these rules, the Board shall, in writing:

1. issue a declaratory opinion regarding the specific statute or rule as applied to the specific circumstances;

I. A declaratory opinion shall not become final until the expiration of sixty (60) days after the issuance of the opinion. Prior to the expiration of sixty (60) days, the Board may, in its discretion, withdraw or amend the declaratory opinion for any reason which is not arbitrary or capricious. Reasons for withdrawing or amending an opinion include, but are not limited to, a determination that the request failed to meet the requirements of these rules or that the opinion issued contains a legal or factual error.

J. The Board may give notice to any person, agency, or entity that a declaratory opinion has been requested and may receive and consider data, facts, arguments, and opinions from other persons, agencies or other entities other than the requestor.

K. Declaratory opinions and requests for declaratory opinions shall be available for public inspection and copying in accordance with the Public Records Act and the Board's public records request procedure. All declaratory opinions and request shall be indexed by name and subject. Declaratory opinions and requests which contain information which is confidential or exempt from disclosure under the Mississippi Public Records Act or other laws shall be exempt from the requirements and shall remain confidential.

L. The Board will not pursue any civil, criminal or administrative action against a person who is issued a declaratory opinion from the Board and who, in good faith, follows the direction of the opinion and acts in accordance therewith unless a court of competent jurisdiction holds that the opinion is manifestly wrong. Any declaratory opinion rendered by the Board shall be binding only on the Board and the person to whom the opinion is issued. No declaratory opinion will be used as precedent for any transaction or occurrence beyond that set forth by the requesting person.

- D. An applicant must be of legal status not only to receive a license, but also to work in the State of Mississippi with such license.
- E. All required fees for initial licensure must be submitted by the applicant with a cashier's check or money order. Corporate checks are accepted from Mississippi licensed massage therapy schools in good standing.
- F. Any and all requirements regarding good moral character and competency, as provided for in accepted codes of ethics shall be met. The burden of demonstrating that the applicant possesses the good moral character required for licensure shall rest with the applicant. Effective July 1, 2013, an applicant must have successfully been cleared for licensure through an investigation that shall consist of a determination as to good moral character and verification that the prospective licensee is not guilty of or in violation of any statutory ground for denial of licensure as set forth in Section 73-67-27.
 - 1. To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of the applicant's fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose.
 - 2. Any and all state or national criminal history records information obtained by the board that is not already a matter of public record shall be deemed nonpublic and confidential information restricted to the exclusive use of the board, its members, officers, investigators, agents and attorneys in evaluating the applicant's eligibility or disqualification for licensure, and shall be exempt from the Mississippi Public Records Act of 1983. Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.
 - 3. The board shall provide to the department the fingerprints of the applicant, any additional information that may be required by the department, and a form signed by the applicant consenting to the check of the criminal records and to the use of the fingerprints and other identifying information required by the state or national repositories.
 - 4. The board shall charge and collect from the applicant, in addition to all other applicable fees and costs, such amount as may be incurred by the board in requesting and obtaining state and national criminal history records information on the applicant.

"Good Moral Character" is a pattern of behavior conforming to the profession's ethical standards and behavior that indicates honesty and truthfulness, integrity, respect among the community for lawful behavior, respect for the rights of others, and obedience to the lawful directives of public offices or officials or persons charged with the enforcement of the law and showing an absence of moral turpitude. Persons with a conviction (misdemeanor or felony) related to prostitution, public indecency or sexual imposition have demonstrated an absence of good moral character and will not be granted a license to practice massage therapy.

a. A determination of good moral character shall be based on the absence of acts that reflect moral turpitude and that reflect all aspects of a person's character as exemplified by his or her behavior including, but not necessarily limited to, that the person:

- i. Is guilty of fraud, deceit or misrepresentation in procuring or attempting to procure any license provided for under this Board;
- ii. Attempted to use as his own the license of another;
- iii. Allowed the use of his license by another;
- iv. Is guilty of unprofessional or unethical conduct as defined by the code of ethics;

- vii. Has been convicted, found guilty, or entered a plea of nolo contendere of a crime, or has charges or disciplinary action pending that directly relates to the practice of massage therapy or to the ability to practice massage therapy.
- viii. Is guilty of false, misleading or deceptive advertising, or is guilty of aiding or assisting in the advertising or practice of any unlicensed or unpermitted person in the practice of massage therapy;
- ix. Is or has been a defendant in civil litigation in which the basis of the complaint was for negligence, malpractice, or lack of professional competence in the practice of massage therapy;
- x. Has been disciplined by a regulatory authority in any jurisdiction related to the practice of massage or of any other credentialed profession (such disciplinary outcome includes, but is not limited to, license restrictions or conditions, probation, fine, or reprimand);
- xi. Has had rights, credentials or one or more license(s) to practice massage therapy or any other credentialed profession revoked, suspended, denied, or required to be surrendered in any jurisdiction, territory or possession of the United States or another country. A certified copy of the record of the jurisdiction making such a revocation, suspension or denial shall be conclusive evidence thereof;
- xii. Has voluntarily surrendered a license or credential to practice massage therapy or any other credentialed profession in connection

with or to avoid a disciplinary action by a regulatory authority in any jurisdiction;

xiii. Has been convicted, found guilty, or entered a plea of nolo contendere of any felony, other than a violation of federal or state tax laws.

b. In determining a person's good moral character when there is evidence of the conduct described above, the Board will also consider the following factors:

- i. The nature of the criminal offense(s) or conduct which gave rise to the disciplinary, civil, or administrative action.
- ii. The age of the applicant at the time of the criminal conviction(s) or conduct which gave rise to the disciplinary, civil or administrative action.
- iii. The number of criminal convictions or number of disciplinary, civil or administrative actions taken against the applicant.

H. An applicant must supply proof of current certification in cardiopulmonary resuscitation (CPR) and first aid of at least eight (8) hours of training, including practical testing, and supply documentation of familiarity with the American with Disabilities Act.

I. An applicant must have completed an approved course on communicable diseases, including HIV/AIDS information and prevention. Board approved schools shall include these courses and those listed in 'H' above in the curriculum.

J. Request for Pre-Licensure Determination An individual may request the Board for a determination of whether the individual's criminal record will disqualify the individual from obtaining a license. The determination request shall be in writing, filed on a form supplied by the Board and signed in the presence of a notary. The request shall also be accompanied by a judgement of conviction and a fee of \$25.00.

A. Disqualifying Crimes Felony.

1. An individual may be denied a license or permit based on a felony conviction which includes the following: a deferred conviction, a deferred prosecution, a

deferred sentence, finding or verdict of guilt, admission of guilt or a plea of nolo contendere.

2. Directly Related to Licensure Practice. Crimes involving fraud or theft. Massage therapists often have unfettered access to individuals' privileged information, financial information, and valuables, including medications, money, jewelry, credit cards/checkbook, and sentimental items. Massage therapists also provide massage services, working night and weekend shifts at massage establishments where there is often no direct supervision. Clients in these settings are particularly vulnerable to the unethical, deceitful, and illegal conduct of a massage therapist. When a massage therapist has engaged in criminal behavior involving physical misconduct, fraud or theft in the past, the Board is mindful that similar misconduct may be repeated in these massage settings, thereby placing clients and the public at risk.

3. Misdemeanor. The admission of multiple convictions, including misdemeanor convictions may be used to determine if an individual shall be denied a license or permit.

B. Determination Notification

1. Time for Response. The licensing authority or its designee shall issue a written determination notification to the individual within 30 days from the board's receipt of the individual's request.

2. Standing. The individual shall be provided one of the following responses:

a. Insufficient Information. If the individual's request contains insufficient information, the licensing authority or its designee will notify the individual that a determination cannot be made at this time as to the individual's standing or whether or not the criminal record will disqualify the individual from obtaining a license.

b. Disqualification Notification. The licensing authority or its designee shall notify the individual of the following:

i. Grounds and reasons for denial or disqualification.

ii. The right to a hearing;

iii. The earliest date to reapply for a license;

iv. Evidence of rehabilitation may be considered upon reapplication.

C. Administrative Hearing. The notice will advise the individual of the right to a hearing to challenge the licensing authority or its designee's decision.

D. Notice of Hearing. The licensing authority or its designee shall provide in writing to the individual the time, date and nature of the hearing pursuant to the Board's statutory provisions, rules and regulations.

- A. Massage schools and massage curriculums for license preparation must obtain a national accreditation from such agencies as the Commission on Massage Therapy Accreditation or programs with the same or greater requirements. New massage schools will have five (5) years from opening of the massage school to show conformity with the accreditation requirements and shall within two (2) years from opening show proof of application with periodic reporting to the board of its progress. If a licensed

massage school or massage curriculum with existing accreditation loses its accreditation for any reason, the school shall immediately initiate actions to obtain accreditation, with periodic reporting to the Board of its progress. This is subject to investigation by the Board and excludes grandfathering by other states.

B. If an individual who is licensed in another state that has licensing standards substantially equivalent to the standards under this chapter as reviewed and approved by the Board, applies and pays all applicable fees in Rule 2.1 for licensure, the Board may issue a Provisional Permit authorizing the applicant to practice massage therapy for up to 90 days, pending completion of documentation that the applicant meets the requirements for licensure under this chapter. A. Application Phase

1. Individual submits all application requirements including all applicable fees in the form of a certified check or money order. Corporate checks are accepted from Mississippi licensed massage therapy schools in good standing.
2. Complete application is reviewed and information validated according to the procedures set forth by the Board. The application is then submitted to the Board for approval.
3. Applicants who have already taken a Board Comprehensive Examination with official passing scores submitted by the appropriate administering body will be considered for licensure by the Board.
4. All persons submitting an application for licensure with the Board must also pass the Mississippi State Law Examination (MSLE) that is given by the Mississippi State Board or its representative. Any student graduating from a Board approved massage therapy school may request a waiver of this requirement if the graduate will not be practicing in Mississippi. The content includes the

Mississippi Professional Massage Therapy Act § 73-67 and its relevant MSBMT Rules and Regulations. The Board may schedule a session of the MSLE in coordination with a school. A minimum score of 70% is required prior to licensure.

5. If a certificate of licensure has not been issued within 24 months of receipt of the application, license fee and application fee due to the applicant's failure to meet all requirements for licensure, then the applicant must submit a new application and application fee. This applies even if the applicant received a Permit.

6. If a first time licensing applicant completed a Mississippi massage therapy program and passed the Mississippi State Law Examination (MSLE) more than 24 months prior to applying for licensure, a Board-approved 3-hour Mississippi Law CEU course must be taken prior to licensure OR the applicant must re-take and pass the Mississippi State Law Examination (MSLE).

7. If an applicant applies and pays all applicable fees in Rule 2.1 for licensure, the Board may issue a Provisional Permit authorizing the applicant to practice massage therapy for up to 90 days, pending completion of documentation that the applicant meets the requirements for licensure under this chapter. The provisional permit shall not be issued until an applicant has successfully passed the Mississippi State Law Examination, and may reflect statutory limitations on the scope of practice. The fee in Rule 2.1 for a provisional permit must accompany the application. No sooner than fifteen (15) days prior to the expiration of an applicant's initial provisional permit, the applicant may apply and submit the fee in Rule 2.1 for an extension of up to 90-days under the existing provisional permit only if proof is provided of having taken and failed a Board Comprehensive Examination during the initial period of the provisional permit. Part 2501. Chapter 6. License Renewal, Directory, and Duplicate / Replacement Wall Certificates

Rule 6.1 Renewal

Licenses are valid through May 31st of the second year (the “expiration date”) following issuance or any renewal thereafter. Therapist shall not practice massage after the expiration date listed on their license unless renewed either by paper or online method.

- A. Proof of current CPR and First Aid certifications (see Rule 1.4.Z) will be required with each renewal application. CEU credits will not be awarded for these certifications.
- B. A 3-hour CEU class of Mississippi Law / Rules and Regulations and a 3-hour course in ethics will be required with each renewal.
- C. As a courtesy, Licensed Massage Therapists may be notified of renewal.
- D. Failure to receive a renewal notice from the Board will not relieve the license holder from the renewal requirements.
- E. Paper Renewals: The following items must be postmarked 30 days prior to expiration for every licensed therapist who continues to practice:
 - 1. The most recent renewal form which may be downloaded from the Board website, completed in its entirety; and the prescribed license renewal fee.
 - 2. The late fee must be included for applications postmarked less than 30 days prior to expiration plus any other fees that may apply as listed in Chapter 2 above.
 - 3. A fee of \$35.00 will apply to LMT’s who renew by paper method.
 - 4. Payment must be remitted by Cashier’s Check or Money Order. Corporate checks are accepted from Mississippi licensed massage therapy schools in good standing.
- F. Online Renewals: Massage therapists may renew licenses online during the period beginning 60 days prior to the license expiration date and ending 90 days after the license expiration date. If renewal occurs after the expiration date, late fees apply and the massage therapist shall not practice massage until the license has been renewed. The licensee is not excused from paying late fees or other consequences of license expiration due to the unavailability of the on-line renewal method on the last working day or any holiday or weekend day for state employees prior to license expiration, or failure of the licensee to complete the on-line renewal process prior to the end of the last day for which the license is active.
 - 1. All other provisions for renewal will apply. The most up to date information may be found at www.msamt.ms.gov.
 - 2. The massage therapist must allow sufficient time to renew by the paper method if online renewal is not allowed. Renewals may not be processed online if:
 - a. There is a change that would require verification such as a legal name change. Such changes must be done prior to online renewal by providing MSBMT a copy of the legal document verifying the name change.
 - b. There are insufficient CEU’s posted to the therapist’s account. While Providers are responsible for reporting CEU’s promptly, it is the therapist’s responsibility to verify that the information is current and accurate.

c. Since the last application for a massage license, the massage therapist has disciplinary or other licensing actions, been convicted or found guilty of offenses, been treated for substance abuse or for mental or emotional disorders, been found legally incompetent, or been subject to complaints or civil litigation.

d. Fines or penalties are not current under a Board-approved payment arrangement.

G. The license status will be changed to “Expired” for all licensees who fail to renew their license more than 90 days after the expiration date listed on their license.

H. An individual with an “Expired” license for up to and including 90 days who wishes to return to current status must pay applicable late fee(s) in addition to the current renewal fee. An individual with an “Expired” license for more than 90 days who wishes to reinstate to active status must submit a paper application for renewal, pay the current renewal fee, reapplication fee and submit proof to the Board that the licensee has satisfied the CEU requirements that would have been applicable had the licensee been on active status. An individual with an “Expired” license cannot move to “Inactive” or “Retired” status. After three (3) years on expired status, the licensee must comply with Rule 6.1.K.

I. “Inactive” Status: Those who wish to put their active license on the inactive list, remaining there for a period not to exceed three (3) years before returning to active practice, may do so without reexamination or late fees upon submission of all fees and an affidavit provided by the Board requesting inactive status, which shall attest that they shall not perform massage therapy for compensation within the State of Mississippi while on inactive status. They shall surrender their license to the Board and no license shall be issued while on inactive status. To reinstate to active status the licensee must submit an application for renewal, pay the current renewal fee, reapplication fee and submit proof to the Board that the licensee has satisfied the CEU requirements that would have been applicable had the licensee been on active status, including the two (2) years when the therapist last held an “Active” license plus each subsequent calendar year after the therapist failed to pay renewal fees. CEU credits do not expire while on “Inactive Status”. After three (3) years of inactive status, the license shall be considered expired. Should the license expire, all requirements of an “expired” license under Rule 6.1.K shall apply. An individual who is on “Inactive” status, and who otherwise meets the requirements for the “Retired” status of Rule 6.1.M, may request to have the Board change the individual’s status from “Inactive” to “Retired.”

J. Any license that is not renewed or placed on inactive or retired status before the license has expired/lapsed will be deemed expired.

K. Any individual whose license has expired/lapsed for failure to pay the required renewal fees for a period of three (3) years must

1. submit a MT.01 Application for Professional Licensure (for first time applicants) , and
2. follow the rules set forth in Chapter 4 “License Requirements” as if a new applicant, and
3. submit proof to the Board that the applicant has satisfied the CEU requirements that would have been applicable had the applicant been on active status. This includes the two (2) years when the applicant last held an “Active”

license plus each subsequent calendar year after the applicant failed to pay renewal fees.

The Board will calculate and require the larger of the two numbers of hours under Rule 6.1.K.2 and Rule 6.1.K.3, and not the sum of the two calculated numbers. The applicant may have to document all or a portion of the required hours through a massage school transcript.

L. “Military personnel”: refer to Section 33-1-39, Miss. Code Ann. 1972 (as amended).

M. “Retired” Status: Those who wish to be removed from active status and have held a Mississippi Massage Therapist License for a period of five (5) years with no fines or penalties imposed for the last three (3) years of active service. This status is provided upon request of the licensee to the Board and no license shall be issued while on retired status. To reinstate to active status, the licensee must submit an application for renewal, pay the current renewal fee, pay the reapplication fee if the licensee has been on the “Retired” status for three (3) or fewer years, and submit proof to the Board that the licensee has satisfied the CEU requirements that would have been applicable had the licensee been on active status, including the two (2) years when the therapist last held an “Active” license plus each subsequent calendar year after the therapist failed to pay renewal fees. CEU credits do not expire while on “Retired” status. A “retired” massage therapist may remain in this status for an indefinite period of time.

N. “Suspended” Status: The Board at its discretion may place a license on suspended status which indicates that the privilege to practice massage therapy has been temporarily terminated. This status results from actions taken under Chapter 8 of these Rules and Regulations.

O. “Revoked” Status: The board at its discretion may place a license on revoked status which indicates that a license has been nullified. This status results from actions taken under Chapter 8 of these Rules and Regulations.

- H. If the Board has determined that the street address, independent of the suite number, of a massage establishment has been attached to or identified with any pornographic or

other establishment that may be construed as unprofessional and/or unethical in the practice of professional massage therapy, then the Board shall deny all applications for massage therapy wall certificates to practice at that street address, regardless of the current name of the massage establishment or of its current owner. The Board shall maintain a list of such street addresses. If the massage establishment is in a building that contains more than four (4) suites that share a common street address, then the denial of wall certificates shall only apply to the suite of said massage establishment and all contiguous suites.
